AFFIDAVIT OF COREY LEA

I, Corey Lea, under the penalty of perjury, I am a Black farmer that resides in Rutherford County, Tennessee. I will be harmed if the Court does not grant the preliminary injunction. I further attest that I am owed a substantial amount of money by the Federal Defendants through sections 22006 and 22007 of the Inflation Reduction Act. As illustrated by exhibit, the Federal Defendants have orchestrated a scheme in furtherance of the conspiracy to deprive me of equal protection and due process under the Fifth Amendment. I have requested a hearing at the administrative level and the Defendants have refused to docket the complaint to contest the alleged debts owed.

Respectfully Submitted,

Corey Lea

Dear Mr. Lea:

This responds to your request for a Direct Farm Ownership Loan in the amount of \$600,000.00 and a Direct Operating Loan in the amount of \$300,000 requested on your application dated January 22, 2024. We are denying your request in accordance with Farm Service Agency (FSA) regulations. This decision is based on the following factual determination(s) and reason(s):

Per FSA regulation [7 CFR 764.101(d)] The applicant must have acceptable credit history demonstrated by debt repayment.

Per FSA regulation [7 CFR 764.101(d)(1)] As part of the credit history the Agency will determine whether the applicant will carry out the terms and conditions of the loan, and deal with the Agency in good faith. In making this determination, the Agency may examine whether the applicant has properly fulfilled its obligations to other parties, including other agencies of the Federal Government.

Per FSA regulation [7 CFR 764.101(d)(2)] When the applicant caused the Agency a loss by receiving debt forgiveness, the applicant may be ineligible for assistance in accordance with eligibility requirements for the specific loan type. If the debt forgiveness is cured by repayment of the Agency's loss, the Agency may still consider the debt forgiveness in determining the applicant's creditworthiness.

Per FSA regulation [7 CFR 764.101(d)(3)] A history of failures to repay past debts as they came due when the ability to repay was within the applicant's control will demonstrate unacceptable credit history.

Per FSA regulation [7 CFR 764.101(f)] As provided in 31 CFR Part 285, except for EM loan applicants, the applicant and anyone who will sign the Promissory Note must not be in delinquent status on any Federal debt, other than a debt under the Internal Revenue Code of 1986 at the time of loan closing. All delinquent debts, however, will be considered in determining credit history and ability to repay under this part.

Per FSA regulation *---[7 CFR 764.152(f)] And anyone who will sign the promissory note, must satisfy at---*least one of the following conditions:

- (1) Meet the definition of a beginning farmer.
- (2) Have not had a direct FO loan outstanding for more than a total of 10 years prior to the date the new FO loan is closed.

Applicant is determined not eligible based on the applicant's history with debt repayment, delinquency, and Farm Ownership term limits with the Farm Service Agency. The customers historical agency records show a loss on a Guaranteed Loan of \$13,599.42 dated 01/20/2015 and a current delinquent amount of \$10,908.00 on FSA Direct FO loan 41-01 which was due 10/25/2023. The customers payment history was as a Co Borrower or entity member for Corey Lea Inc. The payment history shows there were no loan payments made by Mr. Lea or the entity on any of the outstanding FSA loans associated with Corey Lea Inc. between the closing date of 10/25/2007 and current date. The only payments noted in the loan repayment history was an administrative offset payment of \$638.00 on 11/20/2009 and The Inflation Reduction Act payments made on all the delinquent Direct loans 41-01, 44-02, and 44-03 associated with Corey Lea Inc on 9/30/2022. Applicants guarantee loan status report with Farmers National Bank also reflects the Guaranteed loan was in Default status between the dates of 07/15/2008-01/14/2015. Mr. Lea signed the promissory note as both the entity president and as an individual reflecting his knowledge of payment terms and due dates on 10/27/2007. The applicants farm ownership loan term limits of 10 years have also expired as the applicant received his first Direct FO loan in 2007.

It should be noted that FSA has not made formal determinations regarding any other loan making criteria at this time other than eligibility.

If you believe that this decision is erroneous, you have the following options:

I. Reconsideration

You may request that I reconsider this determination by filing a written request no later than 30 calendar days after you receive this notice in accordance with FSA appeal procedures found at 7 CFR Part 780. If you request reconsideration, you have the right to an informal hearing which you or your representative may attend either personally or by telephone. If you choose to seek reconsideration, you may later appeal the determination to the National Appeals Division (NAD). To request reconsideration, write to me at the following address and explain why you believe this determination is erroneous.

You may have to pay all or part of the cost of mediation. If you request mediation, the running of the time frame in which you may file an appeal stops. When mediation closes, the clock restarts and you will have the balance of the days remaining in that period to file an appeal. To request mediation, you must submit your written request no later than 30 calendar days after you receive this notice. To request mediation, write to the FSA State Executive Director at the following address:

If you appeal to NAD, you have the right to a hearing that you or your representative may attend. Once a hearing with NAD begins, you waive any rights you might have to reconsideration, appeal to FSA, and mediation. To appeal, you must write to NAD at the following address, or on the NAD website at www.nad.usda.gov, explain why you believe this determination is erroneous, and provide a copy to FSA. You must personally sign your written appeal to NAD and include a copy of this letter.
